## Meet Cold Pressok juices

Cold Pressok juices are made using the cold press technology: they are **100% raw, natural, with no additives, no preservatives, no sugar added, gluten-free, non-GMO, NON-pasteurised**. We apply the most state-of-the art HPP (High Pressure Processing) technology to preserve freshness and natural ingredients of our juices. We are proud of the fact that Cold Pressok juices are the first and most recognised juices in the market of Serbia made by using this technology. Finest Serbian fruits and high end technology largely contribute to their overall original taste and juices produced in such a manner are the right choice, regardless of whether you look for an instant natural refreshment or additional energy. An explosion of taste is always guaranteed!

250ml

### JANANAS

250ml

Ingredients:  
pineapple, apple,  
mint

A refreshing combination of pineapple, apple and mint results in an exotic juice rich with Vitamin C and phytonutrients that feed the brain, enabling a better focus and more energy.

### ORANGE/ APPLE

250ml

Ingredients:  
orange, apple

A popular combination in the COLD PRESS version, with a stronger taste, exceptionally hydrating and refreshing. 100% of the recommended daily intake of Vitamin C.

### RED GRAPEFRUIT

250ml

Ingredients:  
100% red grapefruit

3 grapefruits in one bottle. For instant refreshment and waking up. Your ideal partner for a good morning. Helps with weight loss and naturally reduces cholesterol level.

250ml

### GRANNY SMITH APPLE

250ml

Ingredients: 100%  
Granny Smith apple

This juice is a 100% cold pressed apple, incomparable by its nutrients to any other apple juice in the market. Strong taste, perfect freshness.

### RASPBERRY SMOOTHIE

250ml

Ingredients:  
raspberry, apple,  
orange, banana,  
lemon

A refreshing taste of raspberry that wins your senses. Raspberry is an exceptionally healthy fruit which sharpens focus, protects the heart and soothes inflammation.

### GREEN SMOOTHIE

250ml

Ingredients: spinach,  
kale, apple, mango,  
banana, lemon

An exotic citrus taste of banana and lemon with a touch of greens. The simplest way to consume your recommended daily intake of greens.

### MANGO SMOOTHIE

250ml

Ingredients: mango,  
orange, apple, banana,  
ginger, lemon

Tropical perfection with a precisely preserved taste. Delicately balanced with an addition of orange, banana and ginger, a satiating and refreshing favourite among all family members.

### POMEGRANATE/ ORANGE

250ml

Ingredients:  
pomegranate, orange

Healthy and tasty match making. Tarty pomegranate taste balanced with sweet valencia cold pressed orange juice.

### PURE ORANGE JUICE

250ml

Ingredients:  
100% orange

100% Cold Pressed orange juice.

### CITRUS MIX

250ml

Ingredients: red  
grapefruit, orange,  
lemon

Elegantly blended citrus mix, perfectly balanced and highly hydrating.

### LEMONADE

250ml

Ingredients: lemon,  
filtered water

CPS Lemonade with no added sugar.

### COLD PRESSED COFFEE

250ml

Ingredients: coffee,  
filtered water

This method of coffee preparation has become very popular worldwide, primarily owing to the fact that such coffee contains less acid-rich oils compared to the hot beverage. A complex preparation process changes chemical ingredients of coffee beans, resulting in a sweeter taste, with no acidity.

## CAFFÈ LATTE

250ml

Ingredients: coffee, cashew, vanilla, agave, filtered water

A combination of cold pressed coffee and cashew milk, this drink of a sophisticated taste will make you want to enjoy it as long as possible. That is why you will be happy to hear that you can take pleasure in it without worrying about calories.

## MAMURLEK

250ml

Ingredients: pineapple, wheatgrass, ginger

100% NATURAL ENERGY DRINK. An uncompromising taste resulting from a combination of wheatgrass, pineapple and ginger gives a fascinating natural energy drink. The effect of all the ingredients will provide you with much required extra energy in any situation when you are not in a top shape.

## ENERGY

250ml

Ingredients: pineapple, apple, lemon, wheatgrass, ginger, mint

Another 100% original energy drink with no caffeine, no sugar added, no hidden chemical elements. An inspiring mix of a tropical taste and powerful natural boosters in perfect balance for natural stimulation of your biorhythm and pleasant energising.

## 750ml

## RASPBERRY APPLE

750ml

Ingredients: raspberry, apple

Delicious blend of locally grown raspberries and apples, gives this juice incredible flavor. This hydrating blend has beauty boosting effect due to rich antioxidant content of well known best quality Serbian raspberries.

## ORANGE APPLE

750ml

Ingredients: orange, apple

Kick start your family morning breakfast with this popular blend of oranges and apples in a cold press version. Perfect refreshment packed with Vitamin C.

## GRANNY SMITH APPLE

750ml

Ingredients: 100% Granny Smith Apple

Kids favorite, perfectly fresh, not too sweet, incredibly fragrant apple juice. Teaching kids healthy eating habits early makes it easy with this delicious apple juice.

## 500ml

## 1 - GREEN

500ml

Ingredients: kale, spinach, celery, parsley, lettuce, cucumber, apple, ginger, lemon

This unique blend of greens and fruit provides an incomparable taste and acts as an antidote to toxins in body, providing the required intake of chlorophyll that gives energy and strengthens the immune system.

## 2 - JANANAS

500ml

Ingredients: pineapple, apple, mint

A refreshing combination of pineapple, apple and mint results in an exotic juice, rich with Vitamin C and phytonutrients that feed the brain, enabling better focus with more energy.

## 3 - SPICY LEMONADE

500ml

Ingredients: lemon, cayenne pepper, agave

Our version of classic lemonade is even richer with antioxidants and is of strong alkaline reaction, with cayenne pepper for stimulating metabolism and a favourable effect on blood. Hydrating and refreshing, it is a perfectly balanced choice for everyone.

#### 4 – RED

500ml

Ingredients:  
beetroot, apple,  
carrot, lemon,  
ginger

A rounded colour resulting from a combination of beetroot, carrot and apple, a juice with a strong taste, providing the daily intake of Vitamin A, favourably affecting blood and reducing blood pressure.

#### 5 – CASHEW MILK

500ml

Ingredients: cashew,  
agave, cinnamon,  
vanilla, filtered water

A creamy texture and a full taste is a perfect source of proteins, which is why it is a favourite among athletes who consume it before or after practice. Zinc provides strong support to the immune system and Vitamin E has an excellent impact on your skin and hair.

#### WATERMELON (seasonal)

500ml

Ingredients:  
100% watermelon

This ultra-hydrating juice is an excellent source of energy despite its low calorie value because it contains Vitamins B6 and B12. Rich with important electrolytes for reducing muscle pain after exercise.

#### CELERY JUICE

500ml

Ingredients:  
100% celery

This tasty juice is highly refreshing, detoxifying, full of nutrients and electrolytes. Drinking it every morning helps restoring adrenals, eliminate toxins, balances your gut, fights against bloating, reduces eczema, helps acid reflux, boosts immune system, hydrates, helps lower cholesterol, prevents high blood pressure and yes, helps you loose that extra weight.

#### CUCUMBER JUICE

500ml

Ingredients:  
100% Cucumber

Highly alkalizing and hydrating juice, rich in vitamins A,C,K, Magnesium, Potassium. Contains beneficial electrolytes for strong rejuvenation effect. Great for cleansing and detoxifying the entire body.

#### SLIM – GREEN JUICE

500ml

Ingredients: green  
apple, celery, fennel,  
rocket, lime, ginger

Rocket and fennel added to the mix of greens results in a highly complex taste with a low calorie value. This juice facilitates cleansing of airways and elimination of water from body, thus removing toxins from organism.

#### VEGE – GREEN JUICE

500ml

Ingredients: cucumber,  
celery, spinach, kale,  
green pepper, parsley,  
ginger

As part of the extension of our most popular member, Green Juice, a 100% greens variant was made. An exceptionally alkaline taste provides freshness with every sip, while its positive effect on faster metabolism helps with weight loss.

#### BLK LEMONADE

500ml

Ingredients: lemon,  
active carbon, agave,  
cayenne pepper

One of visually most attractive juices in our portfolio is the lemonade whose colour comes from active carbon. However, it is not there for a visual effect only: like a magnet, it attracts toxins and eliminates them from body.

#### RASPBERRY CHIA (seasonal)

500ml

Ingredients: raspberry,  
chia, lemon, agave

This juice of a seductive taste of the best-quality Serbian raspberry, with a rich dosage of powerful chia seeds, is perfect for taking a break in order to prevent fatigue: antioxidants in this fruit minimize signs of aging and slow down degenerative processes in body.

---

30ml

### GINGER SHOT

30ml

Ingredients:  
100% ginger

Cold press pure ginger is incredibly potent shot. Helps prevent colds, flu, motion sickness. Aids in digestion, joint pain, muscle pain, heart burn, nausea, migraines, sore throats, fatigue.

### VULKANO SHOT

30ml

Ingredients: lemon,  
ginger, cayenne,  
coconut sugar

Lemony taste with powerful kick from ginger and cayenne. High anti-inflammatory properties that help with digestion, circulation and common colds.

### DI-FENS SHOT

30ml

Ingredients: lemon,  
turmeric, grapefruit  
seeds extract

This intensely powerful shot packed with functional ingredients is sure to give the boost body needs. Great antiviral and anti-inflammatory properties.

# Plant-based milk alternatives

We believe that true nourishment comes directly from nature.

**Absolutely NO preservatives, sweeteners, emulsifiers or stabilizers like gums, fillers, oils or lecithin.**

**2 ingredients = NUT + WATER**

Our milk alternatives are naturally rich and incredibly delicious. Their creamy taste and distinctive flavor comes from up to 6 X more nuts per serving compared to other leading brands.

Enjoy them in your coffee or smoothie, over cereal or granola, chilled on its own, warm for comforting drink, add cocoa for nut hot chocolate, foam it up for a vegan cappuccino. Excellent alternative for baked goods, soups, creams or sauces.

Simple, clean and fresh!

**ALMOND DRINK**

**12% almonds**

**HAZELNUT DRINK**

**12% hazelnuts**

**HPP**

**NEVER PASTEURISED**

**COLD PRESSED • PROTEIN RICH • HIGH IN VITAMIN E • GLUTEN FREE  
NO PRESERVATIVES • NO SWEETENERS • NO EMULSIFIERS • NO STABILIZERS**

# Fruit spreads

---

---

**NO CITRIC ACID · NO ADDED PECTIN · NO PRESERVATIVES  
NO ARTIFICIAL COLORINGS · NO ARTIFICIAL AROMAS**

---

**Fruit spreads done by Mother Nature!**

**Just pure, fresh, finest fruits!**

Made in small batches for gourmet experience. Use them on crapes, muffins, toast, spread it on waffles, add it to porridge, pair it with your favorite cheese or nut butter, or simply enjoy it on its own. Great even for cake and pastry filling.

Its pure fruits and **only FRUITS!**

**GLUTEN FREE · VEGAN · NO GMO**

# Nut butters

**NO ADDITIVES • NO PALM OIL • GLUTEN FREE • VEGAN**

Our nutrient rich nut butters are made by using the technology of slowly grinding 100% pure almonds, walnuts, peanuts and hazelnuts. Whether it's 100% pure nut butter or mixed with delicate spices and finest chocolate, their main feature is deliciously strong taste and slightly crunchy texture.

## ALMOND BUTTER

**350g**

Ingredients:  
100% almond

100% pure almond, strong taste, with no additives. Rich with healthy fats and Vitamin E and an excellent source of proteins. It can be used as a spread (on a piece of apple, pear, melon, banana...), or as an addition to oat meals, grits, muesli, in a combination with a fruit salad, in sauces and dressings, for cakes, especially raw and fasting ones. It can also be added to a smoothie or shake or be simply consumed independently.

## WALNUT BUTTER

**350g**

Ingredients:  
100% walnut

Our 100% pure walnut butter is deliciously creamy and nutty. Due to special kind of Serbian walnuts we use, there is a natural sweetness to it that makes it even more yummy. Besides it's amazing flavor, walnut butter is one of the most antioxidants rich foods and provides the most omega-3 fatty acids of all nut butters. For this reasons it is a staple in vegetarians and vegans diets. It's delicious on toast, crepes, pancakes, piece of fruit, in a smoothie, porridge, oatmeal and has many different uses in baking.

## WALNUT WHITE CHOCO SPREAD

**350g**

Ingredients:  
walnut, white vegan choco spread

New addition to our nut butter series that already became a first class favorite! This velvety spread has a decadent taste of vegan white chocolate and walnuts. It's perfectly sweet and nutty. Has a slightly crunchy texture and intense dessert like flavor. Excellent to use on crepes, pancakes, for baking or just indulge on it's own!

\* More flavors available upon request

## CHOCOLATE- HAZELNUT BUTTER

**350g**

Ingredients:  
hazelnut, dark chocolate

Imagine Nutella with hazelnut and dark chocolate as its natural ingredients, with no sugar and oil added. The intensity of the taste of the finest dark chocolate and roasted hazelnut will make this spread definitely become your favourite. Only two ingredients.

## CHOCOLATE- PEANUT BUTTER

**350g**

Ingredients:  
peanut, dark chocolate

A fully natural spread with dark chocolate and peanut. Exceptionally rich with proteins. It can be used as a healthy option of pancake spread, as an addition to cakes, fruit, porridge, shakes, or independently, whenever you crave for something with chocolate but healthy. Only two ingredients.

## PEANUT BUTTER

**350g**

Ingredients:  
100% peanut

100% pure peanut butter, with no oil and salt added. A completely natural spread in its purest form compared to all the existing peanut spreads in the market.

\* More flavors available upon request

**NO ADDITIVES • NO ADDED SALT • NO PALM OIL • GLUTEN FREE • VEGAN**
